My inspiration for hosting

I'm hosting this event as part of **1,000 Cooks for the Cure**, an important fundraising initiative that gives those with a love for cooking a way to support the fight against breast cancer. Join me in raising awareness and donations as we try to reach our goal of 1,000 parties in homes and offices across the country.

If you'd like to see why I'm passionate about this program, visit CookfortheCure.com to learn more.
